

WESTMINSTER ASSOCIATION HOMES EXTERIOR COLOR PALLET

(Revision approved by the Board of Directors 03/26/2013)

The following color pallet provides a selection of **approved exterior home paint colors** for the Westminster Community Association. These color selections take into consideration the numerous builders, and the diverse color combinations already on site prior to the takeover by the Association.

Note: Each of the Neighborhood Associations have their own specific color schemes, which are compatible with the Master Association, and are not necessarily represented in this list.

Homeowners who choose to repaint the exterior of their home in the exact same color combination as currently exists DO NOT need prior approval from the ARC.....A SIMPLE NOTIFICATION IN WRITING as to the intent will suffice.

Homeowners who wish to CHANGE THE EXTERIOR COLOR SCHEME must - submit (*in duplicate*) **1.**a completed ARC Request Form, indicating the color combination that you are considering; and **2.** a swatch of each color which identifies where each color is to be used (i.e. trim, body). **Approval of the new color scheme by the ARC IS REQUIRED prior to proceeding with a paint contractor.** In approaching your choices, please not that the Association *does not allow adjacent homes to use the exact same color combinations.*

The ARC employed a Sherwin Williams (SW) Color Specifier swatch book to select the color pallet. **However, the homeowner can use any manufacturers' paint AS LONG AS IT MATCHES THE COLORS LISTED BELOW.**
