

WESTMINSTER CRIER

Important Notice

There is a roofing company going door to door soliciting business. As everyone knows, there is no solicitation in the Community. This company has been warned numerous times to stop going door to door. The main company has been contacted and the Police have also been called. If they come to your door please call the Police.

Some Reminders

Please adjust your sprinkler timers now that we have moved to daylight savings time

Check out your palm trees!

There have been several Queen Palms in the community showing evidence of Fusarium Wilt Disease recently. Please keep an eye on your Queen Palms and if you notice brown fronds that are hanging down and looking straggly and wilted, please contact your landscaper immediately to have him/her tell you if the tree is diseased. If it is, the tree has to be removed immediately. Be sure to have the tree stump ground also.

This disease is very contagious and spreads quickly. You do not need to wait for permission from ARC to have these diseased trees cut down. Please just let ARC know you have removed a diseased tree so we can keep track of where the trees are.

The Crier- please read

The Crier is your newsletter. Submit items for publication at least 1 week ahead of time. The next regular Crier publication date is stated below.

IF you have a new neighbor, please have them e mail the crier so they can be added to our listing. **IF you have moved out of the community you may still see the Crier online via the web site- westminstercommunity.com**

This address (westminstercrier@gmail.com) is just for submitting items to the crier. Concerns about information appearing in the crier should be addressed at the office.

The next regular crier will be published the week of **March 23**

IF you know someone who is not getting the Crier, please invite them to sign up. We don't want them to miss important information in the community!!
