Rumors vs Truth

Members of the community have heard a rumor that the golf course building that houses the pro shop and bar are being considered for purchase by the community to become the new fitness center.

This rumor is incorrect.

What is correct is that the Board of Directors have scheduled a meeting at **7:00pm** on **March 2nd** to discuss a suggestion from the owner that the Community purchase that building for use as a Community Center thereby allowing the current Community Center to become an expanded fitness center. The logic is that we would now have a Community Center large enough to handle all our needs and solve the problem of a too small fitness center.

The purpose of the meeting is not to vote on this issue but to discuss the suggestion and decide if we should proceed to investigate the myriad of legal and financial issues that need to be resolved before we could even consider such a purchase.

Following a presentation and discussion by the Board, members present will be invited to comment.

Bill Cossart for the Board of Directors.
