### **Westminster COVID-19 Fight**

As we move into our busy season, and the numbers of our residents and visitors grow, we would like to remind all residents, full-time and seasonal, of the importance of following CDC and Florida Department of Health Guidelines for COVID-19.

**Wash your hands often; avoid close contact – use “Social Distancing”; wear a mask; clean and disinfect often; and follow quarantine guidelines if you have been travelling or exposed to someone who has tested positive.**

For more info you can check the latest CDC information by going to <https://www.cdc.gov/coronavirus/2019-ncov/index.html>

Together we can make a difference.

**Monday night Ladies Mexican Train** will resume playing on Monday evenings at the Community Center at 7 PM. we will be playing only 4 per table and no changing tables after each hand. You may wear a mask.

### **Fall back**

Don't forget to set your irrigation timers to the new time so your sprinklers will work properly

### **Generous Westminster.**

At the October Birthday night, Valerie Bidwell passed a donation basket for donations to Harry Chapin Food Bank.

Our generous residents donated \$640.00.

Harry Chapin turns every dollar donated into eight dollars of food value this brings our donation value to over \$5,000.

### **Board Meeting**

Tuesday November 17

7 pm

Community Center

### **Pet Safety**

Just a reminder that the WCA requires all pets to be on a leash whenever out of the home.

There is a Lee County Ordinance which prohibits animals from running at large.

Owners who allow their pets to be unleashed face a Violation Notice.

### **Drop in Pickle ball**
