### **News from Around the Community**

The Annual Golf Cart Christmas Parade will be held this year with a few modifications.

1. We will not be stopping to sing at any of our residences this year – therefore not getting out of carts.
2. There will be no driveways to serve refreshments.

Join us on Saturday, December 12<sup>th</sup> at 4:30pm to parade around the Community to see the decorations. We will meet behind the Club House!
